March 2017

Dear members of the Arizona Corporation Commission,

As a small business owner, I was deeply concerned to hear that APS is requesting yet another rate increase and an increase in the fixed charge we pay each month. Please don't let this happen.

On a regular basis, I work to decrease my costs to provide better benefits to my customers. I would hope that APS would do the same. However, judging by the increases they seek, that does not seem to be the case.

Please vote in favor of small businesses and individuals who pay APS on a monthly basis by rejecting any new or increased charges to our utility bills.

All the best,

J. L. Lawson
